The College

Although Emmanuel College is part of the University of Cambridge, the relationship between College and University is academic rather than administrative. In all matters relating to staff management, the College is completely autonomous. Members of staff are employed by the College, which handles all contractual and personnel matters.

The College is run by a Governing Body, which is made up of the senior academic members of the College, known as the Fellowship. The Governing Body is assisted by a Committee structure.

The role of the Master, who is the senior member of the College, is in some way similar to that of the Chairman of the Board of Directors in industry. The "Directors" at Emmanuel College are certain Fellows who also act as College Officers: The Bursar, who is responsible for College financial, administrative and estate matters, including overall care of the fabric of the College, and for the staff who maintain and sustain it; and the Senior Tutor, who has overall responsibility for admissions and the academic life of the College.

Reporting to the Bursar and the Senior Tutor are the Heads of Department, who together are responsible for some 140 staff members.
