Further particulars relating to the post of College Counsellor (part-time)

The College
Although Emmanuel College is part of the University of Cambridge, the relationship between College and University is academic rather than administrative. In all matters relating to finance and staff management, the College is completely autonomous. Staff are directly employed by the College, which handles all contractual and personnel matters. The College is a registered charity, with the members of the College Council as its Trustees; it is subject to supervision by the Charity Commission.

The College is run by a Governing Body, which is made up of the senior academic members of the College, known as the Fellowship. The Governing Body is assisted by the College Council and a Committee structure.

The role of the Master, who is the senior member of the College, is in some way similar to that of the Chairperson of the Board of Directors in industry. The "Directors" at Emmanuel College are certain Fellows who also act as College Officers: the Bursar, who is responsible for College financial, administrative and estate matters, including overall care of the fabric of the College, and for the staff who maintain and sustain it; the Senior Tutor, who has overall responsibility for the administration of student admissions to the College and its academic life including the administration of the Tutorial function and day to day student tutorial and welfare matters.
