Emmanuel College
Meggitt Fellowship in Mathematics

Further Particulars

The Governing Body of Emmanuel College invites applications for the Meggitt Fellowship in Mathematics, tenable for five years from 1st October, 2019. Candidates may be working in any area of pure mathematics. Applicants will normally be expected to have had some post-doctoral experience, and to have carried out at most ten years of post-graduate research and teaching since gaining their bachelor’s degree.

The stipend for the Meggitt Fellow will be approximately £32,000 or £24,500), depending on whether the Fellow is resident or non-resident in College. In addition to pursuing his or her personal research, the Fellow will be required to teach (typically in groups of two students) for six hours per week for Emmanuel College during Full Term, to Direct Studies in Pure Mathematics, and to participate in the annual selection of undergraduates at Emmanuel to read the Mathematical Tripos. The Cambridge University Students Union (CUSU) have provided a description of the duties of the Director of Studies, which can be found here: https://www.studentadvice.cam.ac.uk/support/college/dos/

Additional payments are made to the Meggitt Fellow for the supervisions that are undertaken and for directing studies.

Informal enquiries about the position may be made to Dr Robert Henderson, the Senior Tutor (rmh1003@cam.ac.uk) or Professor Nigel Peake (n.peake@damtp.cam.ac.uk).

The Meggitt Fellow will be given a start-up grant for the purchase of computing and research equipment. Additional benefits provided for the Fellow will be annual grants of up to £1,500 for academic travel and general research expenses, and £280 for the purchase of academic books. The Fellow will be given the option to live in College, and will be provided with lunch and dinner in Hall free of charge.

Further details and application form may be requested from the Bursar, Emmanuel College Cambridge, CB2 3AP or can be downloaded from the College website at www.emma.cam.ac.uk. Candidates should send their completed application form along with a CV and covering letter by ordinary mail to the Bursar so as to reach the College by 14th December 2018 at the very latest. Applications will not be accepted by e-mail. Candidates should also arrange for three people familiar with their research to send references to the Bursar so as to reach him by 14th December 2018 (it is the candidate’s responsibility to ensure that these references are sent). Referees may send their reports by e-mail to bursar@emma.cam.ac.uk. It is expected that interviews will take place in the week beginning 14th January 2019.
