

EMMANUEL COLLEGE – INTERVIEW DATES AND FORMAT

Interview Dates / Format

Interviews will take place from Monday 9 December – Wednesday 18 December 2024. On Friday 1 November, we will email all applicants to confirm the specific range of interview dates for each subject.

All interviews at Emmanuel will be in-person at the College. This is the case whether you are based in the UK or Overseas. For students who are currently eligible for free school meals, we will be able to provide help with travel expenses. Please ensure you send documentary evidence of your eligibility, either a government document confirming you are in receipt of free school meals, or a letter from your school. These should be sent to: admissions@emma.cam.ac.uk.

Online interviews will be arranged only in exceptional circumstances. If you know that you will be unable to travel to Cambridge, you must let us know via an online form (link below) and explain the reason for not attending in person. The final decision on whether you will be permitted to have an online interview will be made by the College's Admissions Team.

You must complete the online form (link below) by **Monday 4 November 2024**:
