IT Services for New Students

As well as the IT services and advice page available from Emmanuel https://www.emma.cam.ac.uk/contact/students/is/advice/, UIS provides many more IT services for students.

Please click on the following link: https://help.uis.cam.ac.uk/new-starters/it-for-students for information on:

- **Getting Started with IT @ Cambridge** (quick-start guide for Freshers) - how to get your Cambridge login (known as Raven), set up your @cam email and download your free software, to get you ready for life in College...

- **IT services for students** – a quick tour of the University's IT services for students: Wifi, email, software, storage, printing, free IT training and where to get help...
