

# 2023 FRESHERS' WEEK TIMETABLE

EMMANUEL  
COLLEGE

30TH SEPTEMBER 2023 - 4TH  
OCTOBER 2023

## **Foreword by Senior Tutor**

### **Welcome to Emmanuell!**

Welcome to Emmanuel. I know that many of you were able to take the opportunity to visit in April, to see what the College is like (and may have visited on Open Days in 2023), but for some of you this will be your first time here. Whatever the case, you will all have a lot to become familiar with over the next few days, because a feature of the first week or so, is that pretty much everything is new. We are sure that you will settle in and become used to College very quickly, but please remember that it *will* take time, even with the help of the Freshers' reps and College families. One new feature this year is that our new buildings that make up Young's Court were completed in spring (following two and a half years of building work), so you will be the first group of students who will be properly able to enjoy and benefit from the new facilities on offer.

We hope you will enjoy the programme that has been arranged for you. The Freshers' Week Timetable is designed to welcome you to Emma and help you feel at home as quickly as possible and it is pretty hectic. Of course, your primary purpose for being here is to gain an education, but you might be forgiven for losing sight of that in the flurry of activities on offer over the first few days. However, on Thursday morning your working life will begin in earnest, so make sure you enjoy yourself in the first few days and try to be fresh, alert and ready to begin well on 5<sup>th</sup>.
