**College Regulations**

EXAMINATIONS

1. All members of the College reading for Honours Degrees are required to take the University's Preliminary, Qualifying and Tripos Examinations. Anyone who fails to obtain Honours, i.e. to be classed or to obtain Honours standard in any of these examinations, shall terminate his or her studies and leave the College unless the Governing Body in exceptional circumstances (e.g. illness during the examinations) shall decide otherwise. This rule also applies to College Examinations taken in lieu of University Examinations.

NORMAL PERIODS OF RESIDENCE

2. Undergraduates are required by University regulations to reside within the precincts of the University for a fixed number of nights each term, and it is the responsibility of Tutors to keep a record of the residence of their pupils. Unless a Tutor decides otherwise, a member of the College may leave Cambridge on occasions when the intention is to be away for one night only, provided that the Exeat Book (kept in the Porters' Lodge) is signed on leaving College. If a member of the College wishes to leave Cambridge for a period exceeding one night, permission for this must be obtained, in writing, from his or her Tutor on a Mid-Term Exeat Form, which must be handed in to the Porters' Lodge before departure. Tutorial permission is also required whenever it is desired to remain in Cambridge after the end of the Normal Period of Residence, or to return before the beginning of the Normal Period of Residence.
3. Undergraduates must report to their Tutor as soon as possible after return to Cambridge in every term. They must obtain a 'Final Exeat' from the Senior Tutor before going out of residence.
4. Students who are allocated a room in College or in College-owned accommodation are permitted to occupy such rooms only during the Normal Period of Residence, and subject to the right of the College to resume possession at any time, whether or not the student is allocated other accommodation by the College.
5. All such rooms shall be vacated during every Vacation and, in the Easter Term, on the last day of the Normal Period of Residence and all personal property must be removed.
6. Residence outside the Normal Period of Residence may be granted with the prior written permission of the Senior Tutor.

KEYS

7. On every occasion when coming into residence, a Junior Member is required to sign a Residence Register at the Porters' Lodge in order to obtain a room key.
8. On every occasion when going out of residence, a Junior Member is required to return the room key and to sign the Residence Register when doing so. In the case of an undergraduate, failure to return keys and to sign the Residence Register on the date of the Final Exeat will make the undergraduate liable to a fine at the discretion of the Senior Tutor, the fine being added to the undergraduate's College bill.
9. In the interests of security, keys issued to Junior Members must not be lent to anyone.
10. Should a replacement key be needed because of the loss of a key originally issued, a Junior Member will be required to see the Head Porter who will authorize a replacement. A charge will be made.

11. When a Junior Member mistakenly locks a key inside a room, a temporary key will be issued without charge provided that it is returned to the Porters' Lodge the same day. Failure to return the key can result in a fine.
12. The main College gate is generally pushed to at 8.00 pm and locked at 12.00 midnight every night, but this may vary according to the amount of activity outside. Junior Members may gain admittance by contacting the night porter.

#### COLLEGE ROOMS

13. Undergraduates who chose not to live in College or in a College hostel are required to reside in accommodation deemed suitable by the Senior Tutor. His or her permission must be sought before renting the property.

15. No alteration may be made in the electrical fittings of College rooms except by members of the Maintenance staff or by those who have been authorized by the College. Electrical household appliances are not allowed and in particular additional heating devices may not be introduced into College rooms. Electrical equipment that is old or defective can be dangerous and Junior Members must therefore ensure that any electrical equipment that they bring to the College (see paragraph 24 below) is safe. If a Junior Member is uncertain of the safety of any item they should apply to the Head of Maintenance who will arrange for the College Maintenance staff to inspect and test it free of charge. It is forbidden to interfere with sealed radiator valves.

#### DAMAGE TO COLLEGE ROOMS

16. The College is concerned about damage to the decoration and fabric of College rooms. Unnecessary expense is caused when such damage is excessive. Suitable picture hangers and hooks are available from the Maintenance Department and the ECSU Shop. The costs of repair for damage to College rooms considered to be in excess of normal wear and tear will be charged to the occupant who may also attract a fine at the discretion of the Senior Tutor.

In the event of inappropriate behaviour by a guest the host will be held responsible by the College and may face disciplinary proceedings. Misbehaviour, nuisance or damage caused by guests will, for disciplinary purposes, be treated by the College as if it had been perpetrated by the host.
