

# MAKE UNI COSTS LESS OF A HEADACHE.

You don't need a maths degree to know that uni costs are a big expense. Our Undergraduate and Postgraduate schemes are here to help. If you're a Pharmacist, Pharmacy Technician or work in a Community Pharmacy and you're a parent/carer of a uni student, they could receive up to £3000 to ease the pain of tuition fees, travel, equipment or materials. To check your eligibility and to apply just visit [www.leverhulme-trade.org.uk](http://www.leverhulme-trade.org.uk)
