WINTER 2013 EDITION

Welcome to the Emmanuel College Newsletter, which brings you the latest news and information from all areas of College life.

## NEWS

### Liaison with Schools

Since September, Emmanuel has had its own full-time Schools Liaison Officer, Lizzie Dobson (who was an undergraduate in the College 2009–12). Through the University's area links scheme, the College is responsible for working with secondary schools in Essex and in Sheffield to provide students and teachers with clear information about applications to and life at Cambridge University.

In November, Emmanuel welcomed seven school groups to the College. Students discussed subject choice and the application process, were guided through the College grounds and buildings, and given the chance to 'grill' a small panel of undergraduates about university life.

In January 2014, 50 Year 9 students will attend a Languages Day. Dr Laura Moretti will be introducing Japanese language and culture before taking students to the Fitzwilliam Museum to view original Japanese artwork. Once again, Emmanuel will be hosting all 12 of the University's Challenge Days for Year 10 students in January and February.

If you would like any more information about the College's access work then please contact Lizzie on [ed354@emma.cam.ac.uk](mailto:ed354@emma.cam.ac.uk)

### Cambridge Chefs' Competition

The College Chefs excelled once again at the annual Cambridge Chefs' Competition. Matthew Carter, Head Chef, was 'Major Chef of the Year' and won Silver Medal best in class and Bronze Medal in open lamb, Nathan Aldous won Gold Medal best in class for petit fours, Tony Maio was awarded Bronze Medal best in class in open fish and the same again in open pasta, Dan Abbs got Silver Medal in cold desserts, Karen Hankin received a Bronze Medal in petit fours, Maciej Kaminski got a Bronze Medal in cold desserts and two certificates of merit and Josh Collins received Bronze Medal and best junior hygiene for under 23s. Congratulations to everyone who took part.

### Cuppers Athletics Victory

Emmanuel College won the Cuppers Athletics competition on 20 October. The team of rain-soaked athletes pulled together to claim a narrow victory and the Rouse Ball Challenge Cup is back in College for the first time in 28 years. It was a victory that was not secured until the very final event of the day, when the relay team of Gbegli, Brooks, Piotrowicz and Griffith fought through the rain to cross the line in first place. It was a glorious day that will live long in the memory of all involved.
